# Advanced Roadside Impaired Driving Enforcement (ARIDE)

**8:00 a.m. – 4:00 p.m.**

**February 26-27, 2018**

## Richland Community College

1 College Park  
Decatur, IL

**Instructor:** Larry Brooks, Decatur Police Department

**Course Description:** The Advanced Roadside Impaired Driving Enforcement (ARIDE) program was developed by the National Highway Traffic Safety Administration (NHTSA) with input from the International Association of Chiefs of Police (IACP) and the Technical Advisory Panel (TAP).

**To attend the ARIDE course, you must be SFST certified.** The SFST program trains officers to identify and assess drivers suspected of being under the influence of alcohol while the DEC Program provides more advanced training to evaluate suspected drug impairment. ARIDE is intended to bridge the gap between these two programs by providing officers with general knowledge related to drug impairment and by promoting the use of Drug Recognition Experts. This class will be instructed with the newly revised curriculum.

One of the more significant aspects of ARIDE is its review and required student demonstration of the SFST proficiency requirements. The ARIDE program also stresses the importance of securing the most appropriate biological sample in order to identify substances likely causing impairment.

This 16-hour course is intended to bridge the gap between the SFST and DRE courses. You will learn how to observe, identify and articulate the signs of impairment related to drugs, alcohol or a combination of both. You will be given an overview of the seven types of drug categories and the physiological effects these drugs have on the human body. In addition, you will learn of medical conditions and other situations that can produce similar signs of impairment. The role of eye examinations in disclosing the possibility of drug impairment, and in suggesting the possible category or categories of drugs being used, will be discussed. You will receive the latest updates in Standardized Field Sobriety Testing. We will also explain the legal issues associated with impaired driving as well as pre- and post-arrest procedures.

**Illinois Law Enforcement Training & Standards Board Mobile Team Unit #10**

Serving the Counties of Christian • Dewitt • Logan • Macon • Mason • Menard • Montgomery • Sangamon

Robert S. Crouch, Director

## **Topics include:**

- The concept of “drugs” in the context of DWI enforcement
- The role of eye examinations in disclosing the possibility of impairment
- Medical conditions and other situations that can produce similar signs of impairment
- Identification of the major categories of drugs
- The observable effects of each of the seven major categories of drugs
- The physiological effects likely to result from various combinations of drugs
- Appropriate procedures for dealing with drug-impaired or medically-impaired suspects
- Standardized Field Sobriety Test update
- Legal issues associated with impaired driving
- Pre- and post-arrest procedures

**Please Note:** This training will NOT qualify an officer to serve as a Drug Recognition Expert.

**Prerequisite:** This course is designed primarily for police officers who meet the IACP/NHTSA National Standardized Field Sobriety Testing Program Standards and who have successfully completed a course using the IACP/NHTSA approved curriculum.

**Audience:** Patrol officers, DUI investigators and supervisors, prosecutors, and those aspiring to become Drug Recognition Experts. ***Completion of the ARIDE class also meets the IDOT/NHTSA SFST Refresher training requirement for hire-back grants.***

**Non-Member Tuition:** There is no non-member tuition for this class, as it is covered under a grant.

**To Register:** Email registration to [register@letac.org](mailto:register@letac.org). You may also fill out and submit our online registration form through the website at [www.letac.org](http://www.letac.org) or call 217-726-7014 to register by phone (be sure to include all pertinent information). MTU #10 local member department officers will be given registration preference until seven days prior to the date of class. After that date, registrations will be taken on a first-come, first-served basis, regardless of MTU status. We cannot accept registrations from individual officers. All registrations must go through your Chief, Sheriff, or department training office, even if you are attending class on your own time.

**Cancellation:** If a class must be canceled for any reason, every effort will be made to do so at least 2 weeks before the class is scheduled to begin. However, there are circumstances where last minute cancellation is out of our control. All officers who have been registered for training will be contacted at the email address given at registration, so please be sure to provide an email address which is checked often.
