This course is designed to meet the Mandatory Firearms requirements of Public Act 79-652 for police officers in the state of Illinois. Officers will be required to score a 70% or higher on both the written exam and the range qualifications.

Each student must bring the following items to class:

- Duty weapon, cleaning equipment, and leather gear (Weapons should be checked and in quality condition prior to class.)
- 1000 rounds of factory ammunition (wad cutters permitted) ABSOLUTELY NO RE-LOADS !!!
- Eye protection goggles
- Ear protection
- 12 gauge, pump-action shotgun (factory specs, no folding stocks) & 25 "00's" or "7 ½'s" and 5 slugs.
- Flashlight (for night shoot)

The Springfield Police Department requires verification of LIABILITY INSURANCE coverage from any department utilizing the SPD firing range. Students will not be allowed on the range without this proof of insurance.

No officer will be allowed to attend this course if we have not received authorization from the Training Board that a current Form E is on file. **In the case of auxiliary police and intensive case probation officers, the Board's Form E provides employing agency authorization and written documentation for Board staff review and file.

MTU #10 MANDATORY FIREARMS REGISTRATION POLICY: Due to limited class size and the need to allow plenty of practice time and individual range master attention for class participants, the MTU #10 Advisory Board has implemented the following policy:

Only member departments from MTU #10 will be permitted to enroll officers in Mandatory Firearms courses offered by LETAC. As an exception, Part-time officers from outside of MTU #10's geographical boundaries may be allowed to enroll if another MFT is not being offered in their local MTU prior to the start of the next Part-Time Basic Training Academy.

To Register: Send the signed MFT Application Form along with a Certificate of Liability Insurance, and a photocopy of the officer's ILETSB Form E to this office no less than 10 days prior to the start of class. Departments registering municipal auxiliary officers must also provide a copy of their local ordinance, which states the municipal auxiliary officers do not have "conservator of the peace" powers, and are thereby not required to attend a Basic Training course. All municipal and county auxiliary officers must also submit a photocopy of their valid FOID card.

TUITION: MTU #10 Local Member Departments = NO TUITION
All others = \$400.00 (Must be paid by department check – no personal checks accepted.)
