ILETSB State Certified Course

ADAMAX RANGE LINCOLN, IL

This is the premier instructor development course for *firearms instructors* and *tactical team trainers* wanting a complete overview on close quarter shooting techniques and tactics. The curriculum focuses on the instructor's role in facilitating training scenarios, shooting drills and exercises. The syllabus includes pistol & carbine/SMG range lessons and live fire shoot house operations. Tactical program development and CQB theory take up part of the curriculum. Student led training sessions are critiqued for maximum instructor growth. Take advantage of this rare event.
